### **Binder Technology**

All of our coatings are water or solvent based coatings or products. Each type of coating or product has a unique combination of binder material and is confidential to Dry Tech Aerogels.

Binders for our products and coatings include:

- Elementum range
- LiquiGlass range
- Concrete additives
- Air Fresheners
- Aerogel Bio-Cleaner
- Aerogel Sanitizer

Binder technology is extremely difficult to obtain and is kept secret by all companies/institutions using it in their production/laboratories and can therefore not be published.
