Lavender

Odour Control and long lasting with

Aerogels

200ml

Shake Well

Aero Fresh

Lavender brings the freshness of natural garden flowers into your home and aerogels will enhance the smell that last longer.

Aerogels

Aerogel technology absorb odours in seconds but also absorb the fragrance and slow release it leaving a long lasting fragrance

Caution: Keep away from children even when empty. Use in ventilated room.

Active ingredients: Aerogels, Perfume.
